

OUR PAST...

OUR PRESENT...

OUR FUTURE

This message was delivered by Fr. Danny from the pulpit on March 7-8, 2015.

This edited version is being reprinted in the bulletin for everyone's benefit..

We, the worshipping community of Sacred Heart, have commenced our first Diocesan-approved pledge drive in over twenty (20 years). The purpose of the "Our Past, Our Present, Our Future" Capital Campaign is to build a new sanctuary, relocate our Historic Sacred Heart Church to the entrance of our campus and, as funds are available, repurpose the existing multi-purpose building.

In our attempt to reach out to all 900+ registered families of Sacred Heart, the pledge drive will be conducted in a minimum of three (3) phases commencing in late March with completion by July 2015.

The Capital Campaign Pledge Drive will require commitment and sacrifice on everyone's part. The Pledge Drive Team wants to assure all Sacred Heart families have the opportunity to participate in the Pledge Drive.

A few of the families are now being visited one-on-one by Fr. Danny and a member of the Pledge Drive Team. Other families will gather in small group meetings to be conducted by members of the Pledge Drive Team. The remainder of the families will pledge "in pew" during a Commitment Weekend Drive. All pledges will be kept confidential.

The Sacred Heart pledge drive goal is a minimum of \$2,000,000; from this, Sacred Heart parish has an obligation of \$456,000 over five years to the "Our Faith, Our Future" \$125 million Diocesan Campaign". We are all asked to continue to pledge and give beyond the remaining \$1,544,000 to move forward with our plans of building a new sanctuary.

We are called to be generous with ourselves, our gifts and our resources (time, treasure and talent) in service to the Church and the people of God.

You must prayerfully consider a sacrificial gift to the "Our Past, Our Present, Our Future" Sacred Heart Pledge Drive. When considering your donation, please make your pledge to the church a priority. We request the participation in the form of financial assistance and prayers of all parish families for a successful Sacred Heart Pledge Drive.
